

# Small Group Link

## Easy Group Search

Add search to any page on your website in minutes or place a simple link to your groups.

A screenshot of a web interface for finding a small group. At the top, there are two buttons: "Find A Group" and "Login". Below them is the heading "Search for a Small Group to join now!". The form contains four input fields: "Address:", "City:", "State:", and "Zip". A yellow "Search" button is positioned to the right of the "State" and "Zip" fields. Below the form, there are links for "About" and "vponi".
